

TERMANTHIA 2015

HARVEST REPORT

The 2015 vintage is marked by ripe red fruit aromas and a certain freshness. The vines coped with the high temperatures of June, July and August thanks to the subsoil water reserves generated by a rainy spring and a couple of summer storms that helped to keep moisture available for the vines and maintain a good level of acidity.

TASTING NOTE

Color : Ripe cherry color, high intensity, without evolution.

Aroma : The nose is elegant, deep, delicate and appealing. Light notes of ripe red fruit and black fruit such as blueberries give way to sweet spices, clove, nutmeg, aromatic plants such as lavender, rosemary and eucalyptus, slightly floral background with hints of violet and carnation.

Palate : Sweet and fresh attack, generous, full-bodied and long, with tension but well rounded. The tannins are velvety, fresh and lively. Hints of black fruit, sweet spices, tobacco leaf, forest floor, dried flowers.

FOOD PAIRING

Starter: Semi-cooked foie with warm fruit and Pedro Ximénez reduction

Second course: Roast suckling lamb with crispy herbs

Dessert: Pure dark chocolate truffle

VINEYARDS

Age of the vines: Over 120 years old

Density and yield : 980 vines/Ha - 1300 Kg/Ha

Viticulture: Organic with dry farming

Grape varietal: 100% Tinta de Toro

Harvest: Exclusively manual with rigorous selection of the bunches in perfect condition and at their optimum level of ripeness.

WINEMAKING

Destemming: 100% destemmed

Fermentation and maceration:

- Cold, pre-fermentation maceration for 5 days
- Alcoholic fermentation in two French oak truncated cone-shaped tanks of 10 Hl and 20 Hl
- Pigeage twice a day during the first days of maceration
- Maceration on skins for 7 to 9 days
- Malolactic fermentation in French oak barrels

Ageing: 22 months in French oak barrels. 80% of new barrels and 20% of second use

Racked every 4 months

Bottling: July 2017, market release in 2022

Serving temperature : 14-15 °C

Ageing potential : 20+ years

Alcohol : 15%

This wine does not contain any animal products.
